

Field Service Technician

Think Water Perth

Think Water Perth is a specialist water solutions business focused on the design, supply, installation and maintenance of all irrigation systems.

As part of the Think Water network, the group is committed to providing solutions towards the rapidly changing landscape of water management throughout Australasia.

Join a market leader within the irrigation industry

- ✓ Work with a superior range of irrigation products
- ✓ Highly valued role within a dynamic team
- ✓ Great **training** opportunities
- ✓ Industry leading hourly rates \$\$\$\$
- ✓ Flexible work hours to suit family life needs

The Role

Reporting to the Operations Manager, your primary responsibility will be to diagnose, repair, maintain and install a range of irrigation equipment for our customers.

This will involve, but not limited to, diagnosing, create a solution and carry out works to meet the needs of our customers, whether in the field or in-store as required, completion of all relevant paperwork relating to jobs undertaken both in the workshop and on site, materials take-off and ordering of parts and equipment as required, plan external jobs in conjunction with other staff members and managers in addition to the provision of technical advice and sales support to customers in-store and over the phone.

The Desirable Candidate

To be successful in this role, you will have 3 or more years of irrigation maintenance experience (preferred). Be capable of fixing, repair and install various irrigation systems, including controller systems and pump sets for pop ups in commercial turf applications, solid set and under tree systems. This will may also include trenching and use of other machinery – if not we will train you.

Responsibilities

- ✓ Repair, install and maintain a range of irrigation systems.
- ✓ Diagnose issues and create solutions for customers.
- ✓ Provide advice and sales support to customers.

Personal Attributes

- ✓ Highly organized and excellent time management skills
- ✓ Ability to work autonomously, unsupervised and as part of a team.
- ✓ Fun, energetic and enthusiastic with a positive outlook who is passionate about delivering a great experience to our customers with every interaction

What We Offer

An opportunity to work with a long-established company that continues to experience strong growth. This is a key role for the business where you will have the autonomy to make decisions in the interest of our business. An attractive remuneration package is on offer for the successful candidate.
